Dear Portland Harbor Cleanup Public Comments,

Dear Ms. McCarthy and Members of Congress,

Have we the EPA got a deal for you Oregonians who live in Portland; well maybe not for you Portland citizens, but it's a great deal for industry. Think of it as cleaning a small portion of the ring around the tub and leaving the remaining grime for another day, rather year, rather years.

Come on folks, do your job and clean out ALL the toxic waste. Keeping it "a little bit toxic" just doesn't convince me that the EPA is up to keeping people safe.

Sincerely,
